

Moss Bury Primary School

Dear Parents,

It is time to launch Mossy Explorer for summer term. Your children will be receiving their Mossy Explorer challenges this week.

Key Information

We will once again be providing individual targets for each child, and these can be found on the letter that is sent home alongside the other Mossy Explorer tasks.

One task has an early deadline. The school council task must be in before **Friday 3rd May** if your child is running for election into the school council. They can hand it in afterwards if they are not going to run for election.

The final deadline for all other challenges is **Friday 12th July**.

How does it work?

Each challenge outlines what children **must** do to be successful, as well as what they **could** or **might** do to explore the task in more depth. This allows for an inclusive approach.

Figure 2: Our Knowledge Organisers

School Council

We will be electing our school council on **Friday 3rd May**. You will need to make a campaign to be elected. This is whether you choose to run for election or not. It is a chance to think about your positive characteristics.

To be successful....

You must – Design a poster of your campaign stating why children should choose you.

You could – Include details of the values of the school and what aspects of the school that you will try to improve.

You might – Write a speech to support your campaign that you can present to the class before the vote begins.

Figure 1: Example of a challenge

At the end of each term, children will have the opportunity to collate and reflect upon the work that they have completed on a **Mossy Explorer Day**. They will collect their work in their **Mossy Explorer Knowledge Organiser**. Every child has one. It is a way of us recording their development throughout the school and is our gift to you when the children leave us to go on to secondary school.

At the end of each term, if children have completed **all** challenges, they will receive a **Mossy Explorer Badge**. Collecting the whole set throughout the year is a sign of real personal success! The badges are specific to each year group and term so it is important to collect them all!
