3.2 .23

Welcome!

Welcome to the Moss Bury News. In this week's edition, we will be finding out about the learning happening in Willow, the Year 3/4 Viking Day, and who took home Moss Bury's Book in a Bag.

.....

What we've been up to...

Last Friday, Willow class took part in a workshop, which was run by DiPPS (Defibrillators in Public Places). During the workshop, the children learned how they could put people in the recovery position and how to perform CPR (cardiopulmonary resuscitation) if they needed to. The people from the charity showed them how to attach a defibrillator to someone, using the pads, and how the defibrillator spoke to you to tell you what you needed to do. They all had a great time at the workshop and received a certificate and a wristband, which displayed information about the charity.

Year 3 and 4 have had an amazing Viking Day. The children came into school dressed as Vikings.

They learnt about who the Vikings were and why they invaded Britain.

They also learnt about the sort of jobs the Vikings men, women and children did. The type of houses they lived in and the type of food they ate. Their houses were called longhouses and the children had the opportunity to try some food that the Vikings ate. They had bread, porridge and berries.

They also had a go at making their own Viking houses and at the end of the day all the longhouses were put together to create a Viking village.

What a fun day. This is one that will stay on their minds for a very long time!

Moss Bury's Book in a Bag

Last Friday, one child from every class took their book in a bag home to read. They enjoyed a hot chocolate and a great book. If you have the book this week and would like your photograph in the Moss Bury News, please email a photograph to jesscoton@mossbury.herts.sch.uk.
